

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are known within the business as durable and strong equipment which suits all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind model of floor scrubber with the Clarke Company who is currently likewise owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These scrubbers are available in the market under the trade mark name "Encore". American Lincoln can supply warranty service, equipment and parts for these scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of numerous facility managers where results and efficiency count. Recently, this particular floor scrubber model has been requested by the architects in new construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location because of the model's high standard of quality and supreme performance level for polishing concrete.
