Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to offering top quality and new design concepts to be able to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They like providing products that energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes dealing with new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills together with their comprehension of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When needed, the staff members within TREK and its several dealer members in both parts and in technical support would be obtainable. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning equipment ready and working daily is top priority. The company's top of the line technology delivers dependable machine that ultimately reduces your cleaning cost. The product, the price and the service all work together to make them the leader in the industry.
